Great Bargains in Fine Furniture.

We must make room for our new line of Furniture, and to insure ready sales we have made big cuts in the prices on our present stock. For example, the above Quartered Oak Sideboard at \$15.00 and Diningroom Chair at \$2.50 in cane, and \$3.50 in leather, show in a small way how very low our stock is selling. On the first floor, better known as "Bargain Floor," will be found a full line of Parlor and Bedroom Suits -in fact, all articles of Furniture, at remarkably low prices.
